

Bartec USA LLC is an industry leading manufacturer of TPMS diagnostic scanner tools. The Bartec Group are world leaders in TPMS (Tire Pressure Monitoring Systems). We have installed TPMS read and test systems in over seventy plants for the world's car manufacturers since 1998 and supplied tens of thousands of TPMS dealer tools to franchised and non-franchised dealers, tire shops and other outlets.

Bartec USA LLC has a full staff of service engineers to install and support TPMS equipment in addition to sales and technical support staff for our aftermarket range of TPMS Tools and product training. The company has a 10,000 square foot facility in Sterling Heights, Michigan where we assemble, test and warehouse TPMS Tools and systems.
