DELIVERY OPTIONS

FREE delivery in same metro markets as Wheel Pros distribution centers – scheduled delivery areas only.

All TBC locations get a subsidized flat shipping cost of \$15 per wheel with "ground service" shipping. Expedited delivery is available at the actual freight cost.

HOW TO PLACE ORDERS

A. Call (800) 959-1969 to be connected to a Sales Rep

B. Register online at dealerline.wheelpros.com and register for online account

C. Please inquire on all "custom build orders" about the authorization sheet.

RETURNS PROCEDURE

Stores should call their local Wheel Pros warehouse (800) 959-1969 for an RA number. Returns will be picked up on our normal delivery schedule or similar means. Full credit will be issued on all wheels returned as long as they are current product (in first class resalable condition) and returned within 90 days of the purchase date. Stores that are serviced by UPS/FedEx will be responsible for return freight costs on lost sales.

- Adjustment wheels will be credited for product and the Wheel Pros will cover freight if necessary.
- Mounted wheels can be returned for full credit as long as they are in first class resalable condition.
- Lost sales on special order products may be subject to restocking fees and freight charges back to manufacturer.

PAYMENT TERMS

TBC Franchisee Locations

- A. Net 10th – on Approved Credit
- B. Credit Card or Check at the time of purchase

TBC Company Owned locations

Store p-card is the method of payment.
