

# speedDIAL Express

Online Catalog and Ordering Tool

# WORLD PAC Overview

- ◆ WORLD PAC covers all vehicle makes, including some models that span back 40 years
- ◆ WORLD PAC stocks over 110,000 SKUs sourced from 400 vendors located in 20 different countries
- ◆ SpeedDIAL Express, a B2B e-commerce platform, fully integrated with WORLD PAC's industry leading original equipment catalog, has over 7,100,000 applications
- ◆ Imports parts directly from the most respected worldwide OEM manufacturers
- ◆ 100% Commercial (DIFM), No Retail (DIY)

Mercedes-Benz

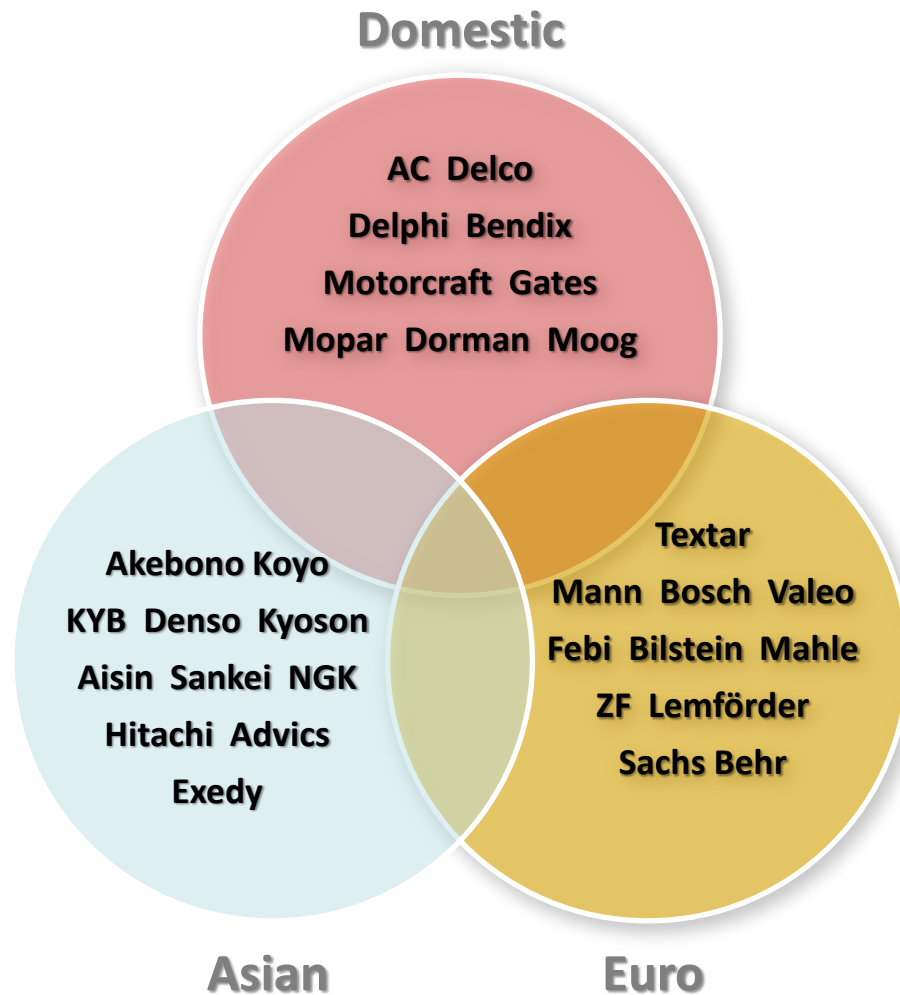

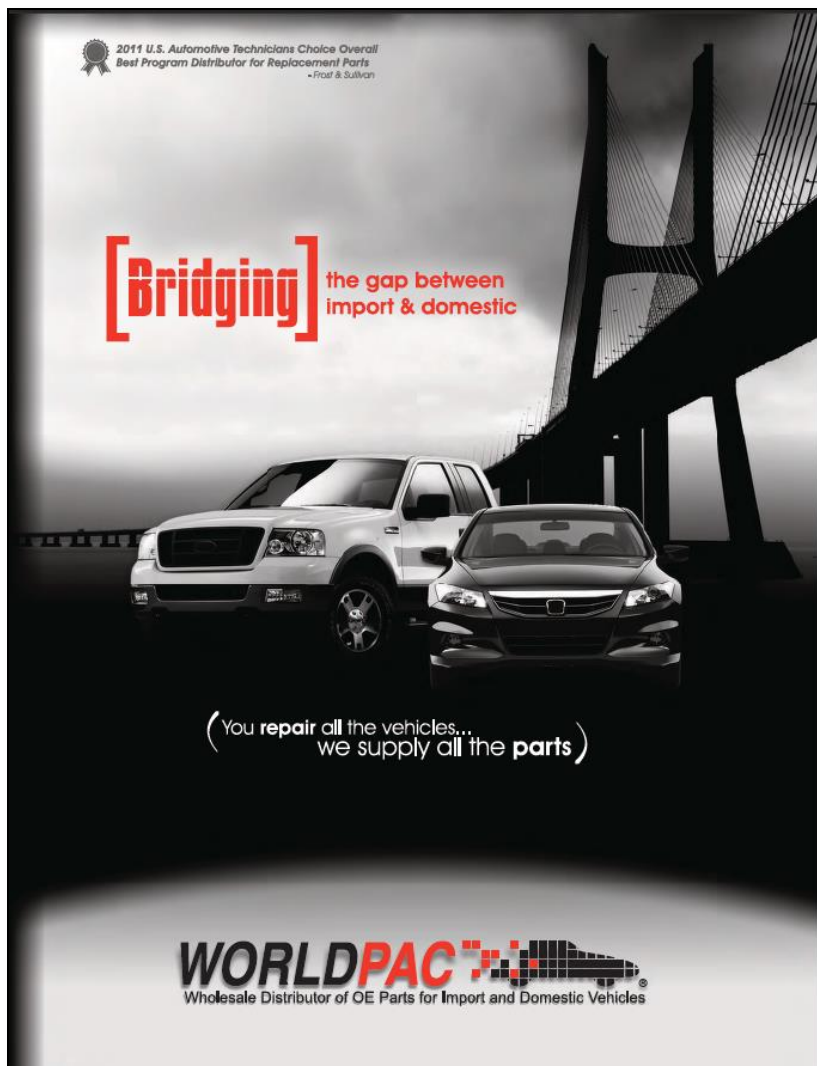

**WORLD PAC**   
Wholesale Distributor of OE and Aftermarket Automotive Parts

# OE/OEM Multi-Brand Product Strategy

# Product Diversification

# The WORLDPAC Advantage

- ◆ Original Equipment, OE, is the basis of WORLDPAC's foundation
- ◆ 70% of our program is sourced from a top tier Original Equipment Manufacturer
- ◆ Form, Fit and Function are top priorities...our technician partners only have time to do it once
- ◆ Sourcing directly, allowing us to pass on substantial savings versus the car manufacturer

# The WORLDPAAC Difference

- **Brand Quality and Selection**
  - WORLDPAAC imports directly from more Tier 1 OEM manufactures than any other distributor in the US aftermarket.
- **Availability**
  - WORLDPAAC offers our customers more than 110,000 part numbers from one source for over 40 import and domestic carlines.
- **Wholesale Only**
  - WORLDPAAC is fully committed to professional installers; we do not sell to the general public.
- **High Frequency Scheduled Deliveries**
  - Our highly automated local delivery system provides service centers with a delivery consistency and order fill rate far superior to traditional local hub and spoke distribution methods.
- **WORLDPAAC speedDIAL EPC and Fulfillment Ordering System**
  - The most advanced and widely used on-line parts ordering program in the industry.
- **Advanced Car Line Technical Training – WTI (WORLDPAAC Training Institute)**
  - Exclusively for the independent service center and taught by OEM trained instructors and developed in coordination with the OE manufacturer approvals.
- **Technically Skilled Sales Support Team**
  - The average WORLDPAAC sales support team member has over twenty years of parts experience and most began their careers in OE dealerships.

# VIN Scanner & ACES Decoder

## VIN Scanner

Capture VIN information and wirelessly push it to your speedDIAL.

- Accurate and fast VIN-specific scans
- VIN shared with all your speedDIAL™ computers
- Easy to use manual light control for use in dark areas
- Optional manual VIN entry
- VIN history with a resend option

# speedDIAL Express

The screenshot shows a web browser window with the URL `sd.worldpac.com/speeddial/`. The page features a red navigation bar with "Home" and "Login" links. The main content area is divided into two columns. The left column, titled "Login to speedDIAL Express", contains a login form with fields for "User ID" (containing "330051") and "Password" (masked with dots). Below the password field is a checked checkbox labeled "Remember user id on this computer" and a blue "Login" button. A red-bordered callout box with a white background and black text points to the "Login" button, containing the text: "Utilize the account number and password that was supplied." Below the login form are three links: "Forget your ID or Password? Our Customer File can help you.", "Need a WORLD PAC account? Register today to qualify for your business account.", and "Protect your password! Keep your account information safe and secure."

The right column, titled "Step up to speedDIAL...", contains a paragraph: "Download speedDIAL and install on your PC to experience the full set of features not available in the speedDIAL Express web version." Below this is a bulleted list of features:

- RMA management
- Expanded shipping options
- Manage vehicle make & brand preferences
- Select parts from multiple categories
- and much, much more!

Below the list is a screenshot of the speedDIAL software interface. It shows a search window with "Search VIN" and "2004" entered. A "Replacement Parts - Cooling System" window is open, showing a tree view of parts with checkboxes for "Lower", "Upper", and "Thermostat" under "Radiator Hose". Another window shows "Brake - Brake Disc - Brake Caliper" with checkboxes for "Brake Caliper", "Front Left", and "Front Right".

At the bottom of the right column is a link: [Learn more about speedDIAL Today >>](#)

# Recent Orders

The screenshot shows the WORLD PAC speedDIAL Express website. The browser address bar displays 'sd.worldpac.com/speeddial/'. The page header includes the WORLD PAC logo, 'User ID: 330051', and 'Log Out'. A navigation bar contains 'Home', 'Orders', and 'Invoices'. Below this is a 'New Order' section with a 'Quantity' field set to '1' and a 'Product#' field. A yellow sticky note on the left side of the page contains the text: 'Located in this column are recently saved, opened or submitted orders.' The main content area features a 'Featured Products' section for 'Full Line OEM Quality Clutch Kits'. This section includes several callouts: 'Uses the same materials as OEM product', 'Quality supported by OEM technology', 'Specially engineered "EXEDY-formulated" friction facing which meets 100% of OEM requirement', 'New NVR (Noise & Vibration Reduction) technology reduces gear noise giving a quiet & smooth ride', 'WAD (Wide Angle Damper) design enables clutch disc to hold more torque with less force', and 'Pre-Damper mechanism reduces idling gear noise'. The section also features a 'SPECIFIED ORIGINAL EQUIPMENT WORLDWIDE' logo and images of clutch components. Below the main product section are four smaller promotional banners: 'Arnot! Air Suspension Products', 'ADVICS OE ADVANTAGE', 'WBR World Brake Resources', and 'MICROFLEX THE MOST TRUSTED NAME IN GLOVES'.

# Recent Vehicle Inquiries

The screenshot shows a web browser window with the URL `sd.worldpac.com/speeddial/catalog/index.jsp`. The page header includes the **WORLDPAAC** logo, navigation links for **Home**, **Orders**, and **Invoice**, and a **speedDIAL Express** logo. A user ID of 330051 and a **Log Out** link are visible. A callout box with a red border and white background points to the **History** dropdown menu, containing the text: "History button will retain your recent lookups." The dropdown menu lists the following vehicles: 1982 Porsche 911, 1980 Jaguar XJS, 1976 Mercedes-Benz 450SL, 2002 Land Rover Range Rover, and 2002 BMW 325i. The left sidebar contains a search bar and a list of categories: **Replacement Parts**, **Performance Parts**, and **General Purpose Products** (with sub-categories: Accessories, Books and Catalogs, Chemicals and Fluids, Hardware, Shop Supplies, Tools, and WTI Work Materials). The main content area has a **Part Types / Positions** section with **Details**, **Price**, **Order**, and **Reset** buttons. The footer contains links for **Home**, **WORLDPAAC Community Forums**, **Support**, **Password**, and **Terms & Conditions**.

# Year, Make & Model menus

The screenshot shows a web browser window with the URL `sd.worldpac.com/speeddial/catalog/index.jsp`. The page features the **WORLD PAC** logo and **speedDIAL Express** branding. A user ID of 330051 is displayed with a [Log Out](#) link. A red navigation bar contains [Home](#) and [log](#) links. A central text box instructs: "Utilize the pull down menus to search by Year, Make and Model." Below this, the search interface includes a "Vehicle" section with three dropdown menus: "Year" (set to 1982), "Make" (open to a list of manufacturers), and "Model" (set to "Select one"). A "Go" button is positioned to the right of the "Make" dropdown. To the left, a "Category" section offers a search box and a list of expandable categories: Replacement Parts, Performance Parts, General Purpose Products, Accessories, Books and Catalogs, Chemicals and Fluids, Hardware, Shop Supplies, Tools, and WTI Work Materials. On the right, a "Part Types / Positions" section includes a search box and "Details", "Price", "Order", and "Reset" buttons. The footer contains navigation links: Home - WORLD PAC Community Forums - Support - Password - Terms & Conditions.

# Search by Product Description

The screenshot shows a web browser window with the URL `sd.worldpac.com/speeddial/catalog/index.jsp`. The page title is "WORLD PAC" and the logo "speedDIAL Express" is visible. The user ID is 330051. The page displays a search interface for a "1982 Porsche 911". A callout box with a red border and white background contains the text: "In this box you can search by part description. It is recommended that you use a minimum of 3 letters and narrow your search from there." The callout box points to a search input field labeled "Search part types" with a "Go" button. Below this, a list of "Replacement Parts" is shown, including: Air Intake, Body Electrical, Body Mechanical & Trim, Body Sheet Metal, Brake, Carburetion, Climate Control, Clutch, Cooling System, Diesel Injection, Drive Belts, Driveshaft & Axle, Engine Electrical, Engine Mechanical, Exhaust, and Fuel Delivery. The "Part Types / Positions" section is currently empty. Buttons for "Details", "Price", "Order", and "Reset" are visible for both the search results and the part list.

# Added Item

The screenshot shows a web browser window with the URL `sd.worldpac.com/speeddial/pnaorder.jsp?env=2010&product=911+126+000+01&order=63368295&year=1982&`. The page header includes the **WORLD PAC** logo, the user ID `330051`, a [Log Out](#) link, and the **speedDIAL Express** logo. A navigation bar contains [Home](#), [Orders](#), and [Invoices](#). A yellow box in the top right corner displays **Order: 63368295 (3 items)**.

Below the navigation bar, there is a search area with a **New Order** icon, a **Quantity** input field set to `1`, a **Product#** input field with `911 126 000 01`, and buttons for **Go**, **Next [2] >**, and **Catalog**. On the left, there are links for **PO 00228WP** and **63368295**.

A green notification banner at the top of the main content area states: **A/C Conversion Kit Please See Notes... (911 126 000 01, Qty: 1) added to your order.** A red arrow points from this banner to the product details below.

The product details for **911 126 000 01 (A/C Conversion Kit)** include a warning icon and the text: **To convert from factory York style compressor to Sanden or Seltic type also use 1, 911 126 000 02 compressor. WITHOUT schrader valves. Contains : 2, compressor hose fittings, 1, V-belt, 2, clamps, hardware & mounting bracket.**

Below this, a section titled **No Freight Charges** features a small image of the conversion kit components. To the right of the image, the text reads: **A/C Conversion Kit Please See Notes...**, **Warehouse: NJ South Brunswick DC**, **Submit by: 7:00 P Today**, **Truck leaves: 7:25 A Tomorrow**, and **Quantity: 6**.

The product listing shows the **911 126 000 01** with a **List: \$319.16** and **Your price: \$175.05**, accompanied by a **+ Buy** button. The **Details:** section repeats the conversion instructions: **To convert from factory York style compressor to Sanden or Seltic type also use 1, 911 126 000 02 compressor. WITHOUT schrader valves. Contains : 2, compressor hose fittings, 1, V-belt, 2, clamps, hardware & mounting bracket.**

A red-bordered box on the right side of the page contains the text: **Once an item is added to an order it will be indicated here.**

At the bottom of the page, there is a footer with links: [Home](#) - [WORLD PAC Community Forums](#) - [Support](#) - [Password](#) - [Terms & Conditions](#).

# Delivery Method (UPS, Local Delivery or Will Call)

The screenshot shows a web browser window with the URL `sd.worldpac.com/speeddial/order.jsp?env=2010&product=&order=63368295&year=null&make=null&model=1`. The page displays an order summary for three items, all from the NJ Edison warehouse. Each item has a 'Truck leaves: 1:25 P Today - WORLD PAC Delivery' status. A red box highlights the 'Truck leaves' text for the 'A/C Expansion Valve' item, with a red arrow pointing to it from a text box that says 'At the moment the parts are scheduled to be delivered by WORLD PAC's delivery network.' At the bottom of the order summary, there is a 'Will Call' button highlighted in blue, with a mouse cursor hovering over it. Other buttons include 'Close', 'Reserve', 'Submit', 'Update', 'Edit Quantities', 'Delete', and 'Catalog'. A summary table shows a subtotal of \$559.30, core of \$0.00, and estimated freight of \$0.00. The comment is 'PO 00261WP'. The footer contains links for Home, WorldPAC Community Forums, Support, Password, and Terms & Conditions.

# Order Received

The screenshot shows a web browser window with the address bar displaying `sd.worldpac.com/speeddial/pnaorder.jsp?env=2010`. The page header includes the **WORLD PAC** logo, the user ID `330051`, and a `Log Out` link. The navigation menu contains `Home`, `Orders`, and `Invoices`. Below the menu, there is a `New Order` section with a quantity of `1` and a `Product#` field. A `Featured Products` section is visible, featuring a large advertisement for **EXEDY** clutch kits. The advertisement includes the text `Full Line OEM Quality Clutch Kits` and `EXEDY Globalparts Corporation`. A white modal dialog box is centered on the page, containing the text `Submit order request was received and will be processed` and an `OK` button. The background of the page is slightly dimmed due to the modal box. At the bottom of the page, there are four promotional banners for **Arnott** Air Suspension Products, **ADVICS** OE Advantage, **WBR** World Brake Resources, and **MICROFLEX** gloves.
