

PRODUCTS / SERVICES OFFERED

Blackburn Wheels is a supplier for OEM wheel solutions. They offer wide inventory on OEM steel & alloy wheels, OEM hubcaps, wheel center caps & trim rings and vintage hubcaps. They also offer wheel refinishing & bumper re-chroming services. Blackburn Wheels also buys used wheels. www.blackburnwheels.com

BEST FEATURE

Blackburn Wheels offers one of the best OEM wheel to image match with their online WHEELFINDER website.

Retail (TireKingdom/NTB) www.mywheelfinder.com/tbc

User tirekingdomdemo / Password testing123

All orders include FREE ground shipping.

HOURS OF OPERATION

Monday-Friday 8:00a-7:30p EST

Saturday 8:00a-4:00p EST

MARKETS SERVED

Blackburn Wheels ship wheels to anywhere in the world. We can get our products to 80% of the continental United States within (1-3) business days.

PRICING

Pricing is based on product. TBC Corporation has negotiated deeper than "street" pricing on all products. The WHEELFINDER website includes a suggested list pricing feature. The user can see TBC or Franchise Dealer Cost by hovering a cursor over the suggest retail price.

DELIVERY OPTIONS

TBC Retail and Franchise locations get ground shipping included in the acquisition cost. Expedited delivery is available at the actual freight cost.

TO PLACE ORDERS

Contact Blackburn Wheel at (800) 981-8321.

WARRANTY CLAIMS

All warranty claims are processed once merchandise is returned to a Blackburn Wheel.

RETURNS PROCEDURE

Contact Blackburn Wheel with invoice number and reason for return for an RGA.
